around
the world**

How is a Bachelor Degree Built in the Liberal Arts System?

Major: This is your primary subject and makes up between a third and half of the courses in your degree depending on the subject you are studying

Electives: Approximately a third of most degrees consist of courses that you choose and can be used to complete a minor or even a **second major**

Global Citizenship Program: The liberal arts core of the degree, giving you key skills that prepare you for diverse & demanding work in your career

Bachelor Degrees

Business Administration
Computer Science
Economics
Finance
International Relations
Management
Media Studies
